
President's Message

Alwine Barlow

Welcome to the 2019 - 2020 bowling season.

I am honoured to be president of this wonderful club for the forthcoming year.

Last season Bowls North Harbour chose to hold its awards afternoon in our clubrooms. It was great to have a number of our Milford members among the recipients, runners up in the women's 1-8 Fours and first in the women's Champ of Champ pairs. In February our own flagship event the Milford 5000 attracted a full field of 96 players and for the second year in a row a Milford team won the plate section. In June one of our junior teams won the Sorrill Cup, an annual event held at Brown's Bay. We look forward with anticipation to seeing what successes our members achieve this year.

Your board members have been busy during the last three months learning their new roles, preparing the season's programme, contacting sponsors, looking after the facilities and preparing this handbook. On behalf of you all I thank them for offering their time and talents to keep the club rolling.

While the greens have been closed our indoor bowlers have been playing. I hope they have had a fun filled season.

As a club we are fortunate that so many members volunteer to help with the multitude of tasks that are required to keep the club running smoothly. Frequently there are requests for help. I ask that you consider these and respond whenever possible. Many hands make light work.

We are especially grateful to Sheila Knox, Ralph Aulick and Zelda Bridgens who for a long time have run Milford's Tuesday and Thursday outdoor rollups. They have now asked to be relieved of this weekly commitment and with this in mind we are trialling a roster system for this season.

We are very grateful to our sponsors for their support. Please use their services and remember to mention Milford Bowls when you are in touch with them.

Last year we received many favourable comments on the quality of our two grass greens. These are the envy of most clubs. We are expecting that they will again be of an excellent standard. But there is no point in having excellent greens lying idle so let's make full use of them.

I wish you all an excellent season on the greens. We look forward to a fun time with many events and championships.

Categories of Membership

Full members (Signified by Grading in this handbook)

Shall be entitled to all playing and other privileges of the club. They also have the right to full use of the club's green or greens as determined by the Board. Full members have the right to enter in all club and BNH Centre events, and if selected, to represent the club in other tournaments, competitions and matches. Full members have full voting rights at Special and Annual General Meetings.

Limited Membership (Lim)

If any member, e.g. through illness or extended leave is unable to play bowls regularly, the Board may classify such a member as a Limited Member for such period and on such terms as it sees fit. Limited Members will only be eligible to play at midweek and/or weekend non championship events. Limited members are not eligible for Centre events. Limited members have no voting rights.

Associate Membership (Assoc)

Any full member of any other club which is a member of Bowls New Zealand may apply to become an Associate Member of the club. Associate members have the right to full use of the club's green or greens as determined by the Board, but they are not permitted to play in club championships or to represent the club in outside competitions. Associate members have no voting rights.

First Year Bowlers (Signified by Grading in this handbook)

Bowlers who join the club in their first season of play. The official season starts on 1 July and ends on 30 June the following year. A first year bowler shall be entitled to all playing and other privileges of the club. They also

More detailed information on membership can be found in the Club Constitution.

have the right to full use of the club's green or greens as determined by the Board. First year bowlers have the right to enter in all club and Centre events, and, if selected, to represent the club in other tournaments, competitions and matches. They have full voting rights.

Social Membership (Soc)

Any member who does not wish to enjoy full membership status but wishes to keep an ongoing association with the club may become a Social Member. Such members shall only be entitled to participate in social and club house activities which include Indoor Bowls and will have no rights to participate in outdoor bowling events at, or on behalf of the club. Social members have no voting rights.

Student Members (Stu)

Any person who is enrolled in a full time course of education at a school or tertiary institution and who is under 19 years of age may become a Student Member of the club. Student Members have the same rights and privileges as full members and joining as a Student Member starts the clock on their junior 1 – 5 year status. Student members have full voting rights.

Collegiate Members (Col)

Any person who is enrolled in a full time course of education at a school or tertiary institution, and who is under 19 years of age, may become a Collegiate member of the club. Collegiate members are able to participate in certain club events by invitation, but may not play in Club Championships and Centre events. Collegiate membership does not trigger the Junior 1 – 5 year status. Collegiate members have no voting rights.

Club Competitions

General Format

Club Competitions are divided into two categories:

- (a) Club Championship events – separate competitions are held for Men and women bowlers and most lead on to Centre Champion of Champions events.
- (b) Club Trophy events. These are open to both men and women and teams may consist of any gender combination, with the exception of Mixed Fours to have 2 men and 2 women combo.
- (c) Players are reminded if they win the event that they **MUST** represent the Club at the Centre Champ of Champs event.

General Conditions

- (a) All club competitions will be played in accordance with current World Bowls laws and Bowls NZ Domestic Regulations.
- (b) Members must have paid their subscriptions before entering any competitions.
- (c) Only Full Playing Members shall be eligible to compete in club competitions.
- (d) Should a player or a team fail to be present at the time set down for commencement of the game or within thirty minutes thereafter, they may suffer a loss by default.
- (e) In competitions where there is a time limit on games, such time limit will not apply to the final or any game which is a possible final.

-
- (f) Pre-game practice. Where a player or team has not yet played on the green during the day (or has had a bye in the previous round) and is due to play against a player or team that has played the previous round on that day, the player or team that did not play previously will be entitled to practise. The Match Committee will advise conditions. (Subject only to the general conditions set out in the Laws of the Game, Section 1.4 Practice – Page 17)

Substitutes and replacements in Pairs, Triples and Fours games

This can sometimes be a contentious area. Members are encouraged to read and become familiar with the Laws of the Games, Domestic Regulation 7 – Page 101. In general terms:

- (a) A substitute is a player temporarily filling a position for an absent team member.
- (b) A replacement is an acquired team member who has taken the place of an original team member unable to play through absence or illness or unable to return for subsequent play in the current competition. The player shall have the same rights as those of other team members.
- (c) Teams seeking or organising substitutes or replacements should liaise closely with the Match committee and obtain their approval well before the start of the next round of competition.

Players' attention is particularly drawn to the Laws of the Game, Domestic Regulation 7.7 (b) – Page 103, covering the situation where a team member has entered another tournament scheduled to play at the same time. **DON'T DO IT!**

Defaulters

Defaulting from club competitions creates problems and frustrations. Depending on the circumstances, offenders may be suspended from the next competition or tournament, or fined. A bowler who becomes unavailable after entering a competition or tournament is expected to find their own replacement – in consultation with their Skip and/or team. This is not the responsibility of the Match or Tournament Committee.

Defaulting from Centre events causes more serious repercussions.

Championships/Club Events Conditions of Play

General Format

- Players are asked to arrive at the Club house 15 minutes prior to commencement time so that payment, game preparation trial ends etc may be completed allowing play to start at the specified time.
- The format will be at the discretion of the match committee – depending on entry numbers, i.e. two life system (for Milford Cup only), round robin or section/qualifying play.
- In the event of a default of a Singles player or whole team at the conclusion of qualifying rounds but before the commencement of the first post-qualifying round, the Championship Convenor shall select the next highest qualifier to progress to the first post qualifying round and the seeding will reset.

Club Championship Events

Qualifying games 1st Day

Singles	(Men, Women, Juniors) 21 shots, or 1hr and 30 mins
Pairs	(Men, Women, Juniors) 3 bowls per player over 1hr 30mins
Triples	(Men, Women, Juniors) 2 bowls per player over 1hr 30mins
Fours	(Men, Women, Juniors) 2 bowls per player over 1hr 30mins

Semi Finals and Finals will be played with NO TIME LIMIT.

Club Trophy Events

Qualifying games 1st Day – 3 Games – **12 ENDS**

Semi Finals and Finals will be played with **NO TIME LIMIT**

At the discretion of the Match Committee, Club Trophy events may be played on a Round Robin basis, depending on numbers of teams/players entered.

Conditions for Round Robin System

In qualifying round robin play, a draw will be awarded one point. At the completion of the round robin, the team or player that has the most wins will be declared the winner.

If more than one team (players) have the same number of wins, the finalists will be determined by points differential over the whole round robin.

Reserved Days will be specified in the programme and players must be available if these days are needed.

You and Your Club

Coaching

The club has a number of qualified coaches whose services are available to all club members. Regular coaching sessions are held by the club coaches and members can also arrange for one-on-one sessions. Contact Don Niven, Coaching Convenor, with any queries.

Practise

Members can use the greens for practise any time when games are not being played and greens maintenance is not taking place. Please check the Greenkeeper's notice board outside the implement shed to see what greens are open, the direction of play, and if scrimms are required. Practise is not permitted when the red flag is flying.

Care of the Greens

Our two grass greens are a great resource and a lot of hard work goes into keeping them at such a high standard. Please look after the greens and refrain from doing anything that will cause damage to them or to the surrounds.

Club Security

It is essential that all members adopt a responsible attitude to the security of the clubrooms. If you are the last to leave, please ensure that all windows are closed, doors are securely locked, and lights, heaters and electrical appliances, especially heaters, are switched off. Unclaimed property should be handed to the Secretary for safe keeping until the owner is traced.

Clubroom Access

Access to the clubrooms at times other than roll-ups, tournaments etc is restricted. Members who have need to gain access to the clubrooms on a regular basis should apply to the President or Secretary for the combination access code. The code is changed regularly throughout the season to ensure that security is maintained.

Health & Safety

The Club is committed to providing a healthy and safe environment.

ICE (In Case of Emergency) Forms

Please ensure you have updated this form and handed it to the Secretary. Your form will be held in a confidential file which can be accessed in case of emergency. Forms are available from the Secretary.

Apparel

Club shirts, caps, tracksuits and name badges may be ordered from Lyn Calver, phone 09 410 2475.

Member's Guests

Members may bring a guest into the clubrooms, but the guest must be signed in by a member at all times. It is expected that the conditions of the club's licence are strictly observed. Members are requested to ensure all guests are wearing a reasonable standard of dress.

Resignations

It is a requirement that when leaving the club, a written notice of resignation is handed to the Secretary or President of the club.

Junior Players

A junior player is one who has been an active playing member of our club, or other clubs, for not more than five seasons, including the current season.

Veteran Players

Full members who are 70 years of age or over on or before the end of the current season will be eligible to enter the club's veteran competitions.

Social Activities

Social activity is a very important part of the club programme and culture. Numerous events are held during the year and every Friday night from about 4.30pm onwards, all members and friends are invited to meet at the clubrooms for a social hour or two. This is the time when all the great shots and games are recounted and embellished and the world is put in order. We look forward to seeing you there.

Winter Activities (May – September)

<i>Contact</i> Jane Kemp - 021 145 1206	

Etiquette

It is important that conventional courtesies and standards be observed on the greens as well as in the club house.

1. On tournament and club days, endeavour to arrive early enough to assist with preparation for play (scrimms, scoreboards, mats, jacks etc.)
2. Visiting players are your guests for the day and you should provide good hospitality.
3. To save time and speed up the game players should have their next bowl in their hands by the time their opposing player has delivered.
4. All players should remain stationary and quiet behind the mat and do nothing to affect the concentration of the player delivering.
5. Do not walk up the rink right in front of the line of the player who has just delivered the last bowl – before changing ends. The player delivering the bowl should also assist by leaving the mat quickly to save time.
6. All bowlers should participate in returning bowls promptly behind the mat after the end has been declared-particularly in a time limit game.
7. Warn players on adjoining rinks that a drive is about to be played on your rink. Try and stand to the side to ‘catch’ bowls flying out of your rink.
8. Possession of the rink passes to your opponent once your bowl comes to rest or has been become dead. At the changeover, Skips and their ‘three’ (or middleman) who do not have possession of the rink should be careful not to hang around discussing the head. The opposing side has the mat.

-
9. It is unlawful as well as discourteous to encroach on adjoining rinks.
 10. It is a courtesy of the 'three' (or middleman) of the team who is playing first to place his Skip's bowl on the mat before joining the other players at changeover.
 11. Some friendly banter with opposing players is OK and part of the game but make sure you keep things sporting at all times. If opposing players make it clear they like to play in silence, respect their wishes.
 12. Congratulate your opponents on good bowls or a well played bowl.
 13. Always strive to enjoy your game – even when you lose.
It's only a game!
 14. Never disturb the bowls or the head before an opponent has a chance to determine and agree the result.
 15. Team members should always avoid crowding their director of the head (i.e. their 'three' or middleman). Stay well behind the head, out of the way, and be discreet in any communication with the director.
 16. Good Skips encourage their teams and look to praise them.
 17. Cell phones should never be seen or used on the green. Keep general chatter until the tea break and don't wander from rink to rink.
